Crib constructed by Mentor Wayne Manahan & member Phil Ashley

Visitors are welcome & encouraged to attend meetings held the 3rd Tuesday of each month at:

MEETING LOCATION:

Wood Shop in the Warehouse Facility
for Jackson Park Ministries
4001 Sentry Post Road, Charlotte, NC
just off Billy Graham near the Airport...

Charlotte Woodworkers has been actively involved in several charity events throughout the years. Several members have submitted pieces for auction through One Special Christmas. Two members Fred Miller & John Goodson combined these efforts in 2007 with a demonstration on building 18th Century chests.

John Goodson (left) & Fred Miller (right) beside a chest similar to one Fred donated to One Special Christmas a few years ago.

Fred Miller displays his "story stick" an 18th century solution to construction without detailed written plans.

Display cabinet built by a club member Ralph Brice

Initial dues are \$ 30 per year and renewals are only \$ 25. email pres@charlottewoodworkers.org for more information.

Founded in 1985

The Charlotte Woodworkers Association is a non-profit organization for amateur and professional woodworkers. Our purpose is to promote the enjoyment of woodworking and to strive for excellence in our work. We do this through sharing knowledge, teaching, skill development and public service

Membership is open to anyone! We have men & women of all ages and skill levels active in the club. Whether you're a professional or simply a newcomer who has little experience you'll find a niche in the club.

Monthly meetings include instruction on a range of topics including: joinery, design, finishing and "how-to" from members and professionals. We also have regular demonstrations from local tool suppliers. We also host a fellowship hour each month with light refreshments.

The Charlotte Woodworkers Association

MEMBERSHIP APPLICATION:

The Charlotte Woodworkers Association is a non-profit, informal organization dedicated to woodworkers representing all skill levels in a wide variety of woodworking interests. It is our goal to promote excellence in woodworking by teaching, developing skills and fostering interest in our craft.
