## **Discount on Fine Woodworking Subscriptions for Club Members**

If you'd like to take advantage of the 20% discount on Fine Woodworking that is available to Charlotte Woodworkers Association members, please bring a check payable to Michael Rosenberg to the May meeting. You can renew for one, two or three years. Price is 25.60 for one year, 44.80 for two years, and 63.20 for three years.

If your subscription is a renewal, please bring a mailing label from a recent copy of Fine Woodworking so that we will have all of your customer account information.

If you don't want to bring a label, bring the information on the label. Be especially sure that your account number is shown accurately.

The people at Taunton Press explain how to find your account number from the mailing label as follows:

"Reading the top line of your address label left to right, you'll see:

- The # sign followed by your customer account number
- The # sign
- The expiration date of your current subscription
- The issue number of the last issue you will receive
- The issue number of the magazine that the label came from.

See below for a mock label example:

John Doe  
12 Main St.  
Anytown, XX  
12345-6789

The account number shown: #123456789012

The issue this label is from: Fine Woodworking #132"

## **E-mail Option for receiving "Sawdust"**

E-mail delivery of "Sawdust" is now available. When you receive the newsletter via e-mail you have the benefit of getting color photographs, and you get quicker delivery. To sign up for e-mail delivery, please e-mail a request to [wmanahan@vnet.net](mailto:wmanahan@vnet.net) and your delivery method will be changed.

Several members have agreed to receive e-mail delivery of the newsletter but their e-mail addresses are not on file. If you were expecting e-mail delivery and got a hard copy, please send me a note with your e-mail address and I'll update your record.

**Meeting Time**

Please note that our meetings start at 6:00 P.M., after a social and refreshment time that starts at 5:30 P.M. If you get there early, you can get to know your fellow members. Also, please be mindful of the graciousness of our hosts by not placing refreshment, etc. on their worktables and tools. Thanks for being good "guests".

**Consider Contributing an Article to "Sawdust"**

Have you considered writing an article for publication in our newsletter? It only takes a few hours (or less), and it provides value to our association by improving the usefulness of our newsletter.

Tips and Techniques are worth sharing. They can be written up in a short format, perhaps no more than a few lines or a couple of paragraphs. If you include a drawing or a digital image we can include that.

If you'd like to write an article or submit a woodworking tip but need some help, talk to me. I'd be happy to help. Another option would be for several members to work together to produce an article. You'd have the enjoyment of sharing some time with another person who enjoys woodworking, you'd both be contributing something valuable to CWA, and if you weren't already friends, chances are you would be before you were ready to publish your work.

Remember that writing an article is an ideal way to be involved because it helps everyone, and doesn't have the pressure of a fixed due date. I encourage you to try it, I believe that you'll find it rewarding.
